## Ilkley Cycle Races 2024

On behalf of Ilkley Cycling Club, I'm delighted to welcome all competitors, their families and supporters to the 2024 Ilkley Town Centre Cycle Races, which are now celebrating their 10th Anniversary. Ilkley Cycling Club held the inaugural town centre races in 2014 – the year the Tour de France came to Yorkshire. They have run every consecutive year since (except during the pandemic) and have since become an essential 'must do' in the British Cycling Town Centre race programme. It's a testimony to our volunteer organising committee, the local businesses who have sponsored the races, and the residents of Ilkley, that you will receive a warm welcome this evening. It's great to see such a fantastic turnout for all the races, and I am especially pleased to see such a strong field for the Ilkley Car Audio Women's Grand Prix, as the club is keen on doing whatever it can to promote women's racing.

Ilkley Cycling Club's stated aim is to promote the amateur sport of cycling in Ilkley and the surrounding area and encourage community participation. We start them young in Ilkley! We have an active Pedal in the Park programme, a strong youth team and a whole plethora of social cycling groups, from the swift, long-distance riders to those who enjoy more sedate social rides, including women only rides. The club actively encourages those new to cycling to join us on beginners rides and e-bikes are not off limits for those who need a bit of assistance to get up those dales hills. Most rides usually involve enjoying refreshments somewhere in our beautiful Yorkshire countryside.

With a 650 strong membership, we welcome new members, and you can find out much more about our club, our activities and how to join, at [www.ilkeley.cc](http://www.ilkeley.cc)

A huge thank you to everyone who has volunteered to support the races. Without our volunteers, they would not happen. Let's hope the sun shines on you tonight and I wish you all a wonderful, safe evening. Let's see some of those circuit records getting broken in our 10th year!

## The Circuit

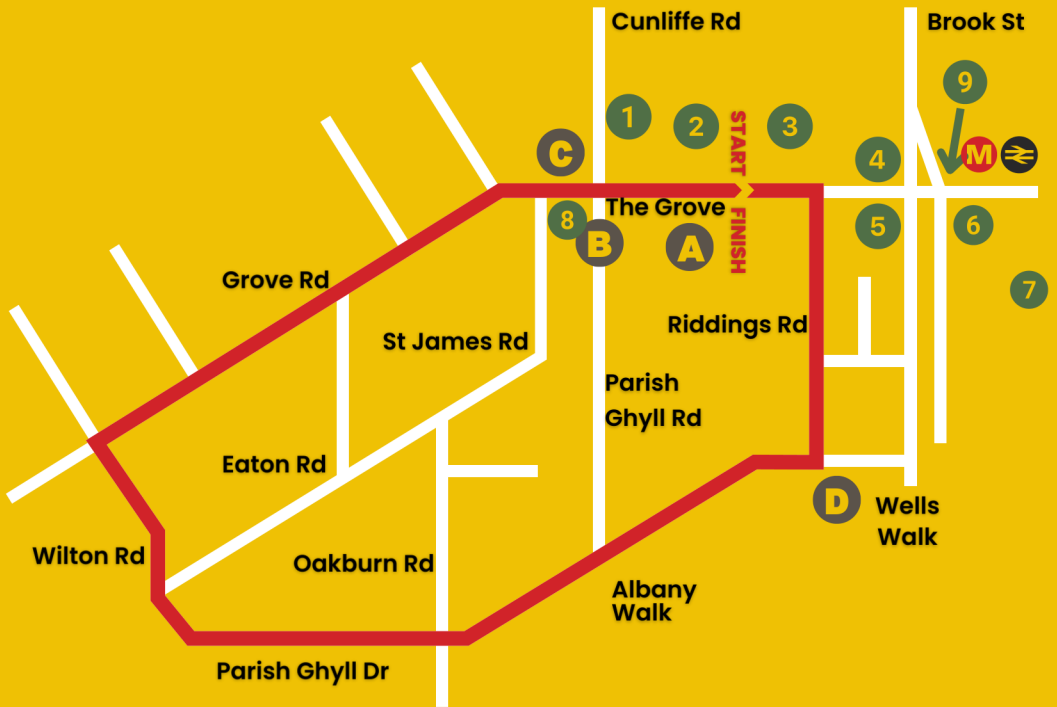

The race circuit starts outside Bettys Café Tea Rooms on The Grove, right in Ilkley's town centre.

The bandstand area opposite will host a number of refreshments including Ilkley Brewery's pop-up bar together with Bini Brew, Lishman's barbeque and La Stazione's prosecco tuk-tuk. After a 90° righthand turn there is a 200m long climb up Riddings Road where spectators are greeted with another bar serving Ilkley Brewery and Bini Brew beers. After another righthander, there is a long stretch of false flat along Albany Walk onto Parish Ghyll Drive.

By this point, the gradient has eased although it is likely to be this stretch where strong riders will really be able to press home an advantage.

The top of the circuit is reached just before the end of Parish Ghyll Drive, where the course drops sharply down Wilton Road. A very fast corner will sweep the riders onto Grove Road for an extremely rapid return past Martinez and the Buzz Coffee Landrover to the bars, restaurants and shops along the finish straight on The Grove.

**The tough circuit climbs 32 m on each 1.5 km lap.**

# Ilkley Cycling Club Join Us!

You've seen us. On the road. Up on a track on the moor. Maybe even out exploring more remote locations in the Dales or out in the East Yorkshire flatlands. Ilkley Cycling Club, 600+ strong, is one of the largest cycling clubs in the country. Whether you are just curious to see why cycling is so popular in the area, or you have already paid your dues over years behind the bars, why not join us now?

Of course, as a cycling club, riding is a big part of what we do. There are dozens of organised rides every week, at different levels, from "C" for those just getting comfortable with two wheels under them, to "A" and "Training" for those who race or would race, if only... Between those extremes, there are at least 6 gradations. There are also gravel, mountain bike, women-only, and youth rides. If you want to get out on two wheels under your own power, then there is a ready group to welcome you.

The Club has other activities besides riding. We provide volunteers and support for the annual Ilkley Cycle Races, an integral part of British Cycling's National Championship Series. And there is the long-running White Rose Classic sportive, with 3 spectacular routes into the Yorkshire Dales, accommodating the full range of rider speeds and capabilities.

At only £15 a year, there's little risk in joining. We also offer a £5 youth membership and only £20 for the full family.

**The Ilkley Cycle Races Committee and Ilkley CC would like to say a massive thank you to all the volunteers who have helped stage this event.**

**No matter how small a role, everyone's time has been given freely and is very much valued and appreciated.**

**Our thanks also go to the British Cycling team of commissaires; Len Woffindin, Marc Etches, Paul West & Phil Makinson.**
