Ilkley Cycle Races 2025

On behalf of the organising team, our sponsors, volunteers, and the wider Ilkley community, I'm delighted to welcome you to The Ilkley Cycle Races 2025!

It's a pleasure to see the streets of Ilkley once again buzzing with energy as we host one of Yorkshire's most exciting cycling events. From elite riders to rising juniors, this evening promises thrilling racing, inspiring talent, and a fantastic atmosphere in the heart of our beautiful town.

The Ilkley Cycle Races continue to grow in reputation and popularity, and that's thanks in large part to the incredible support from our community – spectators like you, who line the circuit rain or shine, and cheer on every rider with passion. Your enthusiasm creates the unique environment that makes Ilkley a favourite on the national racing calendar.

Tonight's schedule is packed, with races that showcase the very best of British cycling. From the MAS Design Youth Races full of young riders chasing their dreams, to the elite men and women battling it out under the evening sun in The Orbea Women's Grand Prix & The Lister Horsfall Grand Prix, there's something here for everyone to enjoy.

A special thank you to all our sponsors, race partners, marshals, and all the volunteers who work tirelessly to make this event safe, professional, and welcoming. Without your dedication, this evening simply wouldn't be possible.

Whether you're a local resident, a cycling fan, or here for the first time—thank you for joining us. I hope you enjoy every moment, and leave inspired by the skill, speed, and spirit of this wonderful sport.

Let's make The Ilkley Cycle Races 2025 another unforgettable chapter in our town's proud cycling tradition.

The Circuit

The race circuit starts outside Bettys Café Tea Rooms on The Grove, right in Ilkley's town centre.

The bandstand area opposite will host a number of refreshments including Ilkley Brewery's pop-up bar together with Lishman's barbeque and La Stazione's prosecco tuk-tuk. After a 90° righthand turn there is a 200m long climb up Riddings Road where spectators are greeted with another bar serving fantastic beers from Bini Brew. After another righthander, there is a long stretch of false flat along Albany Walk onto Parish Ghyll Drive.

By this point, the gradient has eased although it is likely to be this stretch where strong riders will really be able to press home an advantage.

The top of the circuit is reached just before the end of Parish Ghyll Drive, where the course drops sharply down Wilton Road. A very fast corner will sweep the riders onto Grove Road for an extremely rapid return past the event village at the west end of The Grove where spectators can find another Bini Brew bar, paella, loaded sandwiches and a pop-up bar run by Martinez.

The tough circuit climbs 32 m on each 1.5 km lap.

Ilkley Cycling Club Join Us!

You've seen us. On the road. Up on a track on the moor. Maybe even out exploring more remote locations in the Dales or out in the East Yorkshire flatlands. Ilkley Cycling Club, 600+ strong, is one of the largest cycling clubs in the country. Whether you are just curious to see why cycling is so popular in the area, or you have already paid your dues over years behind the bars, why not join us now?

Of course, as a cycling club, riding is a big part of what we do. There are dozens of organised rides every week, at different levels, from "C" for those just getting comfortable with two wheels under them, to "A" and "Training" for those who race or would race, if only... Between those extremes, there are at least 6 gradations. There are also gravel, mountain bike, women-only, and youth rides. If you want to get out on two wheels under your own power, then there is a ready group to welcome you.

The Club has other activities besides riding. We provide volunteers and support for the annual Ilkley Cycle Races, an integral part of British Cycling's National Championship Series. And there is the long-running White Rose Classic sportive, with 3 spectacular routes into the Yorkshire Dales, accommodating the full range of rider speeds and capabilities.

At only £15 a year, there's little risk in joining. We also offer a £5 youth membership and it's only £20 for the full family.

Go to www.ilkley.cc to learn more.

ILKLEY

CYCLING CLUB

www.ilkley.cc

The Ilkley Cycle Races Committee and Ilkley CC would like to say a massive thank you to all the volunteers who have helped stage this event.

No matter how small a role, everyone's time has been given freely and is very much valued and appreciated.

Our thanks also go to the British Cycling team of commissaires: Len Woffindin, Marc Etches & Phil Makinson.
